

When the weather is cold and dreary,
Put cocoa in your favorite cup.
Add hot water and a few "snowballs",
Use the stirrer to mix it up.

May it bring a little warmth,
And a smile along the way -
A special little winter treat
To brighten up your day.

When the weather is cold and dreary,
Put cocoa in your favorite cup.
Add hot water and a few "snowballs",
Use the stirrer to mix it up.

May it bring a little warmth,
And a smile along the way -
A special little winter treat
To brighten up your day.
